Dust: Met with a good demand. Prices were generally firm to little easier than last. CD's however eased by Tk 3/5 and occasionally more.

Comment: This was the last of the Sales held during the holy month of Ramadhan. There was sustained demand for the larger weight on offer this week following strong support mainly from the Blenders. Loose Tea Traders however, were less active. Dusts were firm to little easier whilst CD's eased below last.

We wish all our readers EID MUBARAK.
