TEA MARKET REPORT – Sale 39 held on Monday 28th January, 2019

CTC LEAF: 33,773 packages of Current Season and 155 packages of Old Season Teas on offer met with much less demand at easier rates.

BROKENS: A handful of good liquoring Brokens met with a good demand but were lower compared to last. Their Medium varieties were much lower and were subjected to heavy withdrawals. Plainest, however, met with quite a fair demand but there were several withdrawals as well in this category.

FANNINGS: Good liquoring Fannings met with quite a fair competition and sold well. Medium types were in less demand and eased quite substantially. Plain types met with a fairly good demand with some withdrawals.

CTC DUST: 7,051 packages of Current Season and 15 packages of Old Season Teas on offer met with quite

a good demand. Select brighter liquoring sorts were barely steady to irregularly easier. The remainder met with a fair demand at easier rates with quite fair withdrawals. Blenders were less active whilst local buyers operated in the Medium and plainer categories.

COMMENTS: This week's sale was held in Srimangal. There was much less demand in the sale which resulted in heavy withdrawals particularly for Medium varieties. Blenders were active for all good liquoring types whilst Loose tea trade concentrated on the plainer sorts. Dusts were an easier market.

Our catalogue (Sale 39): Avg: Tk 221.52, Sold 61.0% & (Sale 38) Avg: Tk 235.55, sold 74.6%.
