Offering:
(In pkgs)

Leaf:
38,566 (18,909)
330 (Season: 2018)

Dust:
7,975 (4,245)

(Last year in brackets)

Quality: Fairly useful.

Demand: Improved demand especially for the well made good liquoring varieties on offer. Others met with only a selective demand.

Buyers: Blenders were fairly active whilst Loose Tea Traders lent a fair support.

LEAF-CTC:

Brokens: Well made good liquoring types met with a good demand from all sections of the market and sold at rates dearer than last. Medium and the plainer types met with only a limited demand at generally little easier rates with heavy withdrawals.

Fannings: Best and the below best types met with an improved market following support from the Blenders and the Loose Tea Traders and sold at higher levels than last. Others were barely firm to often little easier with many withdrawals.

Dust: Met with an improved demand. Better liquoring descriptions were firm to little dearer whilst others tended easier with some withdrawals. Powdery sorts were a good seller.

Comment: Well made useful liquoring types were well supported by all sections of the market. Rest met with selective demand. Withdrawals were heavy and were mostly in the medium and plainer categories. CD's were a fairly strong feature.

We wish all our readers EID MUBARAK.
