

**SALE NO. 8 – HELD ON JUNE 24, 2019 AT SREEMONGAL.**

**Offering:** (In pkgs)                      **Leaf:** 32,063 (22,621)  
150 (Season: 2018)                      **Dust:** 5,926 ( 5,544)

**(Last year in brackets)**

**Quality:** Similar to last.

**Demand:** Good demand at firm to little dearer rates particularly for the well made good liquoring types.

**Buyers:** Blenders lent active support whilst Loose Tea Traders were rather selective.

**LEAF-CTC:**

**Brokens:** Best and below best types were a fairly good demand at firm to little dearer rates. Mediums met with an improved demand at generally firm to little easier rates following quality. Plainer types met with selective demand and suffered large withdrawal.

**Fannings:** Well made good liquoring types met with good competition and sold at firm to occasionally dearer rates. Mediums met with fair demand at around last rates. Plainer types were in limited demand and witnessed large withdrawal.

**Dust:** Met with a fairly good demand. Bright liquoring sorts were readily absorbed at generally dearer rates. Plainer types met with selective demand. CD's were a strong feature.

**Comment:** Offerings met with an improved demand. There was good competition especially for the well made good liquoring descriptions. Others met with fair demand. Plain and inferior descriptions were mostly neglected. Blenders were more active than last.
