

SALE NO. 18 – HELD ON SEPTEMBER 11, 2019.

Offering:
(In pkgs)

Leaf:
58,781 (36,613)
602 (Season: 2018)

Dust:
11,198 (8,956)
11 (Season: 2018)

(Last year in brackets)

Quality: Maintained.

Demand: Good demand at generally firm to little easier rates.

Buyers: Blenders were active whilst Loose Tea Buyers lent only a fair support.

LEAF-CTC:

Brokens: Well made good liquoring types met with good demand at generally firm rates. Mediums sold well at firm to easier rates of Tk 3/5. Plain and poor types met with selective demand with fairly large withdrawals.

Fannings: Clean, bright liquoring sorts were in good demand at generally firm rates. Mediums sold well at firm to irregularly little easier rates. Plain and poor types met with only a limited demand and suffered fair withdrawals.

Dust: Well made good liquoring descriptions met with fairly strong demand at firm to occasionally little dearer rates. Others were generally firm to little easier following quality. Cleaner CD's were firm to occasionally slightly dearer.

Comment: Clean good liquoring descriptions continued to meet with a good demand and mostly sold at around last rates. Blenders lent useful support whilst Loose Tea Traders were apparently less active than last. Dusts were a good market. Demand however, eased slightly towards close.
