#### COONOOR SALE 05- 1st FEBRUARY, 2020

Marginally better demand was seen this week. The best of the liquoring sorts saw good demand at prices appreciating. The good and the better medium teas absorption was better at lower levels to last. The medium categories met with fair demand, however the corresponding bolder and Fanning's met good demand. The regional buyers improved buying on the brighter sorts but were very selective and price sensitive on other categories. The other internal buyers continued to be choosy. The Exporters buying slightly improved on the medium and plainer teas at declined prices
