*Top price in the Sale.

Dust: Met with a fairly strong market. Best types were firm to little easier whilst others held firm on last. CD's were little easier. Poorer types were neglected.

Comment: There was apparently more interest for the medium and the plainer types on offer which sold well at firm to irregularly dearer rates. Others sold well at firm to occasionally little easier rates. Blenders continued to lend active support whilst Loose Tea Traders lifted a fair weight.
