

SALE NO. 41 – HELD ON MARCH 08, 2021.

Offering: (In pkgs)
Leaf: 10,998 (32,702)
50 (Season: 2019/20)
Dust: 2,507 (5,486)

(Last year in brackets)

Quality: Generally plain.

Demand: Good general demand.

Buyers: Blenders as well as the Loose Tea Traders lent good support.

LEAF-CTC:

Brokens: A handful of the better types available sold well at firm to little dearer rates. Rests were mostly firm. Poorer types were slightly easier.

Fannings: A small weight of the cleaner types offered sold readily at firm to little dearer rates. Others were firm to slightly easier following quality.

New Season Teas:(2021/22): A total of 113 bags of New Season manufacture offered met with keen competition from the Loose Tea Traders and sold at rates between Tk 215/700 per kg.

Kumarshail			Tk. 219

Dust: Met with a fairly strong market. Prices were generally firm to little dearer following quality. CD's were a good market especially the cleaner types.

Comment: This was the penultimate sale of the season and offering was small. Quality was generally plain but there was a small weight of cleaner types on offer. All sections of the market operated actively and as a result bulk of the offerings was disposed off at satisfactory levels.
