(Last year in brackets)

Quality: About maintained.

Demand: Fairly good demand especially for the well made good liquoring types.

Buyers: Packeteers were fairly active whilst Loose Tea Traders lent a fair support.

LEAF-CTC:

Brokens: Well made good liquoring types on offer were well sought after by the Blenders and sold at rates firm to occasionally dearer following competition. Below best and mediums met with fair demand at easier rates of Tk 2/3 below last. Plainer sorts eased by a similar margin and witnessed fairly large withdrawals.

Fannings: Clean good liquoring types sold well at generally firm rates. Mediums met with a fair demand at Tk 2/3 easier than last. Plainer types witnessed a limited demand at easier rates of Tk 2/3 and suffered substantial withdrawals.

Dust: Neat, good liquoring descriptions were a fairly strong market and prices ruled firm on last. Select few lines gained whilst others were irregularly firm with quality. CDs were a good market.

Comment: Offerings witnessed a fairly good demand. Well made bright liquoring sorts met with a strong market. Others witnessed less demand and suffered fairly large withdrawals. Dusts were a good market.
