Quality: Similar to last.

Demand: Fairly good demand at around last levels.

Buyers: Blenders lent fair support whilst Loose Tea Traders operated like last.

LEAF-CTC:

Brokens: Well made good liquoring types sold well at around last levels. Select few popular types inclined following competition. Others were firm to little easier with fair withdrawals.

Fannings: Best and the below best types sold well at about firm rates. Occasional lines gained slightly following competition. Rests were firm to little easier with quality.

Dust: Good demand. Well made good liquoring descriptions ruled firm to little dearer. Others were about steady. Cleaner CD's were a strong feature.

Comment: Select few well made good liquoring types were well competed for by the Blenders and often inclined in value. Others met with only a fair support. Withdrawals were quite substantial. Dust Catalogue however, met with a good demand.
