**(Last year in brackets)**

**Quality:** Maintained.

**Demand:** Less demand at easier rates with fairly heavy withdrawals.

**Buyers:** Blenders were less active whilst Loose Tea Traders continued to be subdued.

**LEAF-CTC:**

**Brokens:** Select few well made good liquoring types sold well at firm to little easier rates. Others met with only selective demand at easier rates of Tk. 3/5 below last with many withdrawals. Plainer types met with a fair demand at around last levels.

**Fannings:** Likewise, a limited weight of best types sold well at levels Tk 2/3 lower than last whilst rests met with selective interest at easier rates. There were however, fair withdrawals.

**Dust:** Met with a fair demand. Clean good liquoring descriptions sold well at easier rates of Tk. 3/5 below last whilst others met with selective interest and suffered fair withdrawals.

**Comment:** Market opened on a weak note which however, got pronounced as sale progressed. Blenders continued to be the major contenders but off-take was smaller than last. Prices as such, eased and a large weight remained unsold owing to lack of demand.
