

**SALE NO. 27 – HELD ON NOVEMBER 15, 2021.**

**Offering:**  
(In pkgs)

**Leaf:**  
51,757 (45,937)

**Dust:**  
11,089 (8,902)

**(Last year in brackets)**

**Quality:** Showed a little decline.

**Demand:** Less demand at further lower rates.

**Buyers:** Blenders lent fair support whilst Loose Tea Traders showed limited interest for the cheaper varieties.

**LEAF-CTC:**

**Brokens:** Select few popular well made types sold well at about firm rates. All others were easier by Tk. 5/7 and often more with fairly large withdrawals. Teas from the Northern District met with selective interest at drops of Tk. 8/10 from last.

**Fannings:** Likewise, a limited weight of popular well made types sold well at about firm rates. Rest met with much less demand at rates easier by Tk 5/7 and often more. Teas from the Northern District shed more and suffered large withdrawals.

**Dust:** Clean good liquoring types met with a fairly good demand and sold at firm to little easier rates than last. Rest were easier with substantial withdrawals.

**Comment:** Market opened with a fairly good demand mainly from the Blenders which, however, slackened as sale progressed leading to further lower price levels and heavy withdrawals. A limited weight of popular well made types however, were a good market at about firm levels. Loose Tea Traders were selective.
