

SALE NO. 35 – HELD ON JANUARY 10, 2022.

Offering:
(In pkgs)

Leaf:
47,109 (33,893)

Dust:
10,128 (8,982)

(Last year in brackets)

Quality: Generally plain. There was however, a limited weight of well made good liquoring types on offer.

Demand: Good demand.

Buyers: Blenders operated actively. Loose Tea Traders lent fairly good support.

LEAF-CTC:

Brokens: A limited weight of the well made good liquoring types offered met with a fairly strong demand and sold at firm to little dearer rates. Below bests were firm. Mediums were firm to little easier with some withdrawals. Plainer types met with a fair demand whilst poor end season types were neglected.

Fannings: A small weight of the best types available met with a strong market and ruled firm to little dearer. Below best types were firm whilst mediums were little easier with some withdrawals. Plainer types met with a fair demand. End season types were neglected.

Baramasia	Tk. 220	Tk. 221	Tk. 286

Dust: Met with a good demand. Clean good liquoring types were firm to dearer whilst others were about steady. CD's were a good market.

Comment: Blenders were apparently more active than last whilst Loose Tea Traders lent a fairly good support. A handful of the good liquoring types offered were a strong feature whilst others were generally firm. There was good demand at the lower end of the market. Plainer types, especially those with end season character were neglected.
