2 (Season 2020)

(Last year in brackets)

Quality: Plain and mostly end season type.

Demand: Fair demand at generally easier rates with fairly large withdrawals.

Buyers: Blenders lifted a fair weight whilst Loose Tea Traders were rather selective.

LEAF-CTC:

Brokens: A handful of cleaner types on offer sold well at about firm to generally easier rates of Tk 3/5. Rest met with a fair demand at levels of around Tk. 5/= below last.

Fannings: A limited weight of the good liquoring types met with a fair demand and sold at slightly easier rates. Medium and the plainer types met with some interest but at easier rates with some withdrawals.

Dust: Fair demand at generally easier rates. CDs were easier.

Comment: Demand was similar to last. Prices were occasionally firm to generally easier following quality. There was however, more support at the lower end of the market.
