

SALE NO. 44(FINAL) – HELD ON MARCH 14, 2022.

Offering:
(In pkgs)

Leaf:
8,296

Dust:
2,658
270 (Season 2020)

Quality: Plain and end season type.

Demand: Fairly strong demand.

Buyers: Blenders were selective whilst Loose Tea Traders were active.

LEAF-CTC:

Brokens: Sold well at generally firm to often higher rates.

Fannings: A few lines of better types offered met with a strong market. Others were firm to dearer.

New Season Teas:(Season: 2022/23): A total of 3,591 packages were offered which included 2,811 packages from the Northern District. There was a strong demand mostly from the Loose Tea Traders at levels generally below brokers' price idea. Prices for these ranged between Tk. 250/255 per kg. Teas from the Northern District however, met with only a limited demand and where sold, prices generally ranged between Tk. 165/185 with fairly heavy withdrawals.

Q U O T A T I O N S

No Quotable Types Available.

Dust: Met with a fairly strong demand and generally sold at firm to dearer rates.

Comment: This was the final sale of the season and offerings were small. Loose Tea Traders operated actively and accounted for most of the teas sold. Blenders were apparently selective. There were some withdrawals which however, were mostly confined to the teas from the Northern Districts.

Sale No. 1 (Season: 2022/23): Will be decided at the Tea Sale Co-ordination Committee meeting, which will be held soon.
