Dust: Clean good liquoring types met with a good demand but generally eased by Tk. 5/7 from last. Others met with a fair demand at easier rates with some withdrawals. CD's met with a better demand, especially the cleaner type.

Comment: A limited weight of the well made good liquoring types offered witnessed keen competition from all sections of the market. Others met with a fair demand at generally little easier rates. There were some withdrawals in the medium and plainer category. Cleaner Dusts and CD's were a good market.
