TEA MARKET REPORT - Sale 24 held on Monday $17^{\text {th }}$ October, 2022

CTC LEAF: 53,475 packages of Current Season teas on offer met with a good demand.
BROKENS: A small weight of well made teas met with quite a strong demand and were generally firm. Medium varieties met with quite a good demand but were a little easier often by Tk.3/- to Tk.5/-. Plainer sorts met with fair demand at easier rates often declining by Tk.4/- to Tk.6/- with some withdrawals. BLFs once again were selective but prices held on last levels. There were some withdrawals.
FANNINGS: A few best liquoring Fannings met with a stronger demand and tended dearer whilst Good and Mediums met with a fairly good demand but were easier by Tk.3/- to Tk.5/- with a few withdrawals. Plain types were discounted further and there were several withdrawals in this category. BLFs once again were selective but prices held on last levels. There were some withdrawals.

CTC DUST: 12,017 packages of Current Season teas on offer met with a fairly good demand. Good liquoring Dusts sold well by Tk.2/- to Tk.5/- higher than last levels. Mediums met with fair demand easing by Tk.8/- to Tk.10/over last. Once again Plain and BLF Dusts witnessed a decline in price levels with some withdrawals. Blenders were active with fair interest from the Loose tea buyers.
COMMENTS: Offerings were fairly heavy and owing to less competition, prices declined a little. However, a few bright liquoring types witnessed fair competition and were slightly dearer. Blenders were the mainstay of the market with limited support from the Loose tea buyers
Good liquoring Dusts continued to meet with more competition
