**Dust:** Met with a fair demand. Batter types sold well but eased by Tk 8/10. Select few popular types were firm. Others shed more and a fair weight remained unsold especially in the plain and the poorer category.

**Comment:** Offerings witnessed a little less demand than last resulting in generally lower rates and more withdrawals. Cleaner teas were fewer and bulk of the offerings comprised plain and poor types. Major contenders were rather selective and followed quality closely. Dusts sold about similarly.
