Quality: Fairly useful.

Demand: Good general demand.

Buyers: Blenders lent useful support. Loose Tea Traders were active.

LEAF-CTC:

Brokens: Well made good liquoring types sold readily at firm to little dearer rates. Mediums were a good market and ruled firm to little dearer following quality. Plain types were generally steady with a few withdrawals.

Fannings: Best and the below best types were well sought after by all sections of the market and sold at around last levels. Select few lines tended dearer following competition. Others were a good market and sold at firm to little dearer rates. Plain types were little easier.

Bought-Leaf Teas: Met with a better demand and generally sold at between Tk. 160/165 per kg. There were however, fairly large withdrawals mostly confined to the re-printed invoices.

Dust: Met with a good demand. Brighter liquoring types sold readily at firm to little dearer rates whilst rest met with a fair demand at around last levels. Plain types were generally neglected. Cleaner CD's were a strong feature.

Comment: Offering continued to meet with a good general demand at firm to occasionally little dearer rates especially the well made bright liquoring types. Rest were also a fairly good market. Cleaner Dusts and CD's were a fairly strong feature. All sections of the market operated actively.
