NQTA: No Quotable Types Available

N: Nominal

Dust: Poor demand. A few lines sold at Tk. 160/= per kg. Also, 1179 pkgs of New Season manufacture were on offer which sold well including 355 pkgs of B/L Teas. Prices were firm to little easier following quality.

Comment: Demand was mostly confined to the increased weight of New Season manufacture on offer which however, witnessed some decline in price from earlier sales. There were however, a few withdrawals. All re-printed teas met with a very selective demand and were mostly withdrawn without registering any bids.
