Quality: About maintained.

Demand: Good demand.

Buyers: Blenders were the major contenders. Loose Tea Traders lent fair support.

LEAF-CTC:

Brokens/ Fannings: Well made good liquoring types were a good market and sold at firm rates. A few lines of popular best types inclined following competition. Rest met with a fair demand at firm to little easier rates. Plainer types were generally withdrawn without any bids.

Bought-Leaf Teas: Met with less demand. Better liquoring types sold well at around last levels. Others were easier and there were fair withdrawals.

Comment: Clean good liquoring descriptions sold readily at firm to occasionally slightly dearer rates. Rest met with a fair demand at irregularly little easier rates and suffered some withdrawals. Dusts followed trend of the leaf market.
