Offering:

(In pkgs)

Leaf:

53,156 (52,174)
20 (Season: 2025)

Dust:

10,363 (10,477)
30 (Season: 2025)

(Last year in brackets)

Quality: Showed a little decline.

Demand: Good demand at easier rates with some withdrawals.

Buyers: Blenders were the major contenders. Loose Tea Traders were selective.

LEAF-CTC:

Brokens: Well made good liquoring types sold well but generally eased by around Tk. 5/= from last. Medium and the plainer types met with a fairly good demand but eased a little more.

Fannings: Best and the below best types sold readily but shed around Tk. 5/= from last. Others eased similarly and occasionally a little more following quality.

B/L Teas: Met with reduced demand and sold at rates generally Tk. 7/10 below last. There were fairly large withdrawals when Sellers' were unwilling to meet the market.

Dust: Fairly good demand. Prices generally eased further and there were fair withdrawals. CD's were an easier market.

Comment: Market eased further this week as Blenders held lower limits and shared freely. Loose Tea Traders were barely active. B/L Teas again witnessed a sharp decline in price and a fair weight remained unsold. Market slackened in the later part of the sale leading to fair withdrawals.
