20 (Season: 2025)

(Last year in brackets)

Quality: Similar to last.

Demand: Good demand with prices following quality.

Buyers: Blenders were the major contenders. Loose Tea Traders were rather selective.

LEAF-CTC:

Brokens: Well made good liquoring types were readily sold at rates around last. Select few popular best types gained a little. Mediums were firm to little easier whilst plainer types were discounted.

Fannings: Best and the below best types were supported by all sections of the market and sold at rates firm on last. Mediums were firm to little easier following quality. Plainer types were easier by Tk. 5/7 and more following quality.

B/L Teas: Good demand. Prices were generally easier by Tk. 2/3 and often a little more in line with quality.

Dust: Clean good liquoring varieties sold well at rates barely firm to generally Tk. 2/3 easier than last. Others eased more with some withdrawals. CD's were easier.

Comment: Clean good liquoring types continued to meet with a good market and mostly sold at around last levels. However, others were a fairly good market but eased in value especially the plainer types. There were some withdrawals.
